Apar Industries Limited, a Rs. 7,500 Cr. Company having presence in three business verticles viz. Electrical & Telecom, Cables, Speciality Oil (including the renowned Transformer Oils and Lubricants) and Overhead Aluminium and Copper Conductors.

About Us

Apar Industries Limited, a Rs. 7,500 Cr. Company having presence in three business verticles viz. Electrical & Telecom Cables, Speciality Oil (including the renowned Transformer Oils and Lubricants) and Overhead Aluminium and Copper Conductors. We supply to over 125 countries across the globe.

APAR's Cable division has been steadily growing at over 25% CAGR for the last ten years. Apar's Cable business is spread over several major growing sectors viz. Solar, Windmill, Railways, Government & Private Utilities, EPC, Defence, Material Handling, Telecom and Exports. The company products have established a reputed name for its quality and services. The Cable products are approved by several of the utilities and private customers/consultants.

We have two Cables' manufacturing facilities; one at Umbergaon near Vapi, Gujarat (HT XLPE Cables) and another at Khatalwada (LT XLPE, Elastomer & E-beam Irradiated cables and Fiber Optic cables). We have installed state-of-the-art E-beam accelerators 1.5 MeV, 2.5 MeV and 3.0 MeV for cross-linking of Polymers. These E-beam irradiated cables find application in Solar, Railways and Ship wiring applications.

We also provide specialist technical services, cable design and other value added services gained from our extensive experience over the years.

APAR FIBER OPTIC CABLE

Our Products

APAR LAN Cable
(PatchCord, Pigtail, Breakout
Tight Buffer Optical Cable)

APAR Single Mode ADSS
Fibre Optic Cable for High
Span and High Voltage Power
Line

APAR Single Mode Figure 8
Aerial Unitube and Multitube
Fibre Optic Cable

APAR Single Mode FTTH
Cable (FTTH Drop & Fig-8
Drop Cable)

APAR FLEXIBLE WIRES AND CABLES

Our Products

APAR Unicab Flexible 2 Core
Copper Conductor PVC
Insulated Cable 100m

APAR Unicab Flexible 3 Core
Copper Conductor PVC
Insulated Cable 100m

APAR Multi Stranded
Aluminium Flexible PVC
Insulated Wire & Cables 100m

APAR Unicab Flexible Single
Core Copper Conductor PVC
Insulated Cable 100m

APAR XLPE CABLE

Apar Xlpe Insulated Multicore Copper Conductor Mv Power Cables

Xlpe Insulated Multicore Aluminium Conductor Lt Power Cables

APAR XLPE Insulated Multicore Aluminium Conductor MV Power Cables

APAR XLPE Insulated Multicore Copper Conductor LT Power Cables

APAR HOUSE WIRE

Our Products

Flexible Copper Conductor Fr
Pvc Insulated House Wire
180m

Flexible Copper Conductor
EBXL FR PVC Insulated
House Wire 90m

Flexible Copper Conductor
EBXL FR PVC Insulated
House Wire 180m

OTHER PRODUCTS:

APAR Multitube Cables (Duct, Armoured, ADSS, Fibre Optic Cable)

XLPE Insulated Multicore Copper Conductor LT Control Cables

APAR Unicab Flexible Copper Conductor 3 Core Flat Cables for Submersible Pump

APAR Welding Cable

Factsheet

Year of Establishment	: 1958
Nature of Business	: Exporter and Manufacturer
Total Number of Employees	: 1001 to 2000 People
