## About Us

Aquatherm Egypt pool exhibition is an event that highlights the increasing demand for swimming pools in Egypt and the Middle East in general. Organized after the recent revolution and in the context of a new Egypt determined to conduct a full-scale economic reform, aquatherm Egypt pool is seen as a good opportunity for a real investment push in the region. Given key economic indicators & measures, it seems certain that the Egyptian economy is likely to witness a true boom in the days to come. The Show organizer Eng, Essam Marwan & Mr, Adel .A.El-Ghany said that a strong economic in Egypt will grow entertainment and leisure products specially swimming pools & sauna & spa & lakes & fountain & pool chemicals and water park & the exhibition expect to attract roughly 100 exhibitors & 10000 visitors from Egypt & middle East & Africa specially from Libya and Sudan. In this context, aquatherm and Egypt Pool will exhibit a huge spectrum of pool and water products. The event will take place from 13 till 15 February 2014 at the Cairo International Convention Centre (CICC) is located in Nasr City, an eastern suburb of Cairo and is mid-way between Cairo International Airport and downtown Cairo.
