We, at Aravali Stonex, are the leading manufacturers and exporters of natural stones, slabs, tiles and other architectural utilities. We are well known for providing quality products. Our products have global appeal in the international market.

About Us

Established in the year 2000, we are located at the root of Aravali mountain range at pink city Jaipur. Jaipur is known as the chief center of superior quality of marble and other natural stones found anywhere in the world. We specialize in manufacturing the finest quality of stones, granite, sandstone, marbles, handicrafts, etc. In a very short time period we have scaled the success ladder by achieving global recognition for our better products. We possess extensive knowledge about the stones, marble, slate stone, quartzite, tiles, granite, etc. This helps us in providing the most superior quality products to our clients. Our strong supply chain management and operational excellence forms the very foundation of our company. We also share membership of C-DOS, Jaipur and stone contact.
