About Us

AR&C INC is a dynamic, client-oriented organization, and we believe that our success is dependent on building and maintaining long-term relationships with both new and existing clients. Distribution networks crossing national borders and linking cities have encircled the globe, with Air and Sea Transportation emerging as the dominant force in the globalization of these distribution networks. AR & C INC is ideally positioned to help clients use this development to their advantage. AR & C INC ensures punctual distribution and reliable delivery of client cargo. Furthermore, we pride ourselves on our meticulous attention to detail, and use this to determine optimal solutions with respect to cargo transport scheduling. We deliver on our promises, and the punctuality and reliability of our operations has earned us a well-deserved reputation for quality service.
