Archana Solar Technologies

<https://www.indiamart.com/archana-solar-technologies/>

Our company is a leading manufacturer, trader, exporter and supplier of an energy efficient range of Solar Energy Products, Solar Lighting Products and others. We have achieved ISO 9001:2008 Certification for our products' excellence.

About Us

Leveraging on years of industrial experience and profound knowledge of the respective domain, we, **Archana Solar Technologies** have become a leading **manufacturer, trader, supplier and exporter** of a qualitative range of **Solar Lighting Products, Solar Fans, Solar Home Packs, Solar Energy Products and Solar Photovoltaic Modules**. Further, our range encompasses **Small Solar Photovoltaic Modules, Large Solar Photovoltaic Modules, Medium Solar Photovoltaic Modules, Solar Stand Fans, Portable Solar Fans, Solar Emergency Lights, Mini Solar Lanterns** and many others. All these products are acknowledged among clients for causing less global warming. Our products are also admired for their long service life, sturdy construction, hassle free performance and many more. Moreover, products offered by us are available in different specifications and can also be availed in tailor-made forms. Due to their best quality and reliability, our range is extensively used in electronic and electric industries. Apart from this, we have achieved an ISO 9001:2008 Certification for endlessly providing quality approved range in the market and making reliable and transparent dealings with clients. Owing to the above mentioned factors, we have garnered huge clientele support based in the market of Italy, Netherlands, United Kingdom, Spain, Singapore and Australia. Our honorable **Manager, Mr. Aravind Kommidi** has helped us in establishing desirable market position with his...

SOLAR PANELS

Our Product Range

160 Watt Solar Panel

3 Watt Solar Panel

40 Watt Solar Panel

5 Watt Solar Panel

SOLAR POWER FENCING

Our Product Range

Solar Electric Fencing

High Security Fencing

Security Fencing

Animal Fencing

SOLAR FANS

Our Product Range

Solar Pedestal Fans

Portable Solar Fans

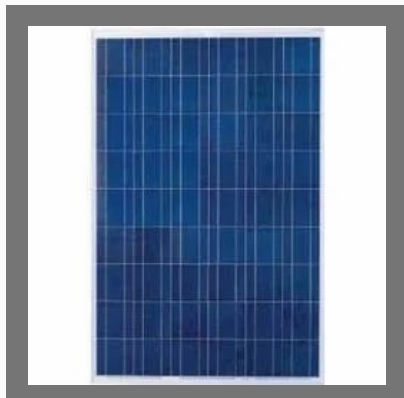

Solar Stand Fans

DC Solar Fans

SOLAR PHOTOVOLTAIC MODULES

Our Product Range

Medium Solar Photovoltaic Modules

Small Solar Photovoltaic Modules

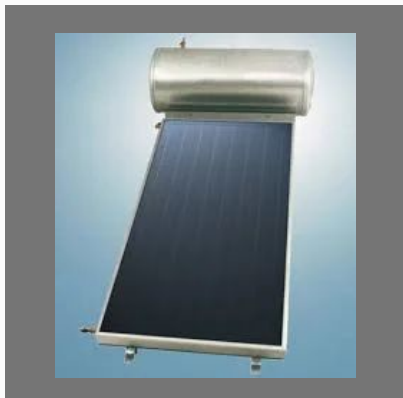

Large Solar Photovoltaic Modules

Solar Module

SOLAR WATER HEATER

Our Product Range

Solar Water Heater

Fpc Solar Water Heater

Industrial Solar Water Heater

Solar Heater

SOLAR MONO PANEL

Our Product Range

Solar Mono Panel

Solar Mono Panel

Solar Mono Panel

OTHER PRODUCTS:

Solar Panel 5 Watt 12 Voltage

Solar Fencing System

Solar Heater

Solar Power Plant Installation

Factsheet

Year of Establishment	: 2010
Nature of Business	: Exporter
Total Number of Employees	: 11 to 25 People
