About Us

We, “**Archidply Industries Ltd.**,” are affianced in **manufacturing, trading, exporting** and **supplying** comprehensive range of **Decorative Laminates, Pre Laminated Boards, Decorative Veneers, BWR Plywoods** and **Block Board Flush Doors**. Under the enthusiastic guidance of our **Joint Managing Director, “Mr. Rajiv Daga”**, we have achieved an outstanding position in this domain. His constant focus on quality and dedication has enabled us to serve to gain huge client base all across the international market. Since our inception in **1976** at **Delhi (India)**, we have constructed an advanced infrastructural base that includes structural units such as procurement, production, quality testing, research & development, warehousing, packaging, sales & marketing, etc. The production unit is armed with sophisticated machinery and tools in order to manufacture products without any hassle. Moreover, our easy payment modes, client-oriented approach, reasonable price structure and ethical business policies have enabled us to emerge as a leading player in this domain.

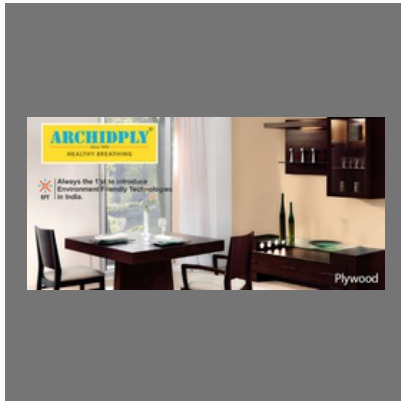

Leveraging upon international quality standards, all our offered products are designed and manufactured as per the international quality standards by utilizing high grade wood and advanced technology. Owing to features such as high strength, termite resistance, borer proof, aesthetic design, perfect finish and durability, the...
