

Arham Agencies

<https://www.indiamart.com/arham-agencies/>

Arham Agencies is a firm engaged in rendering unparalleled Coating Services to the clients. Our services are demanded in varied industries like oil & gas, steel & power plants, engineering and building & infrastructure, to name a few.

About Us

Established in the year **2008**, we, “**Arham Agencies**”, are a prestigious business organization engaged in rendering a reliable set of **Coating** services to the clients. Our services include **Functional Pipeline Coating, Fire Protective Coating, Cold Galvanizing Coating, Decorative Coating, Marine Coating** and **Industrial Coating**. These services are rendered by a team of expert professionals who make use of modern machinery, genuine tools and latest techniques & methodologies during the execution process. Further, these professionals assure that the services are rendered strictly in conformation with the global quality standards. Owing to this, these services are widely appreciated for flexibility, reliability and timely execution. Relying on these attributes, our services are widely demanded in diverse industrial sectors such as oil & gas, petrochemicals, steel & power plants, manufacturing, pharmaceuticals, engineering, building & infrastructure and railways, to name a few. We also render these services as per the specific requirements & within the budgetary constraints of the customers. We, **Arham Agencies** is a leading **dealer, trader, supplier, wholesaler & distributor** of **Industrial Paint and AAC Blocks in the world**, offering broadest product range, distribution & knowledge. Available in a variety of appealing colors and shades, these paints are extensively utilized in...
