About Us

Situated at **Agra (Uttar Pradesh, India)**, we “**Arihant Enterprises**”, are engaged in **manufacturing** of the finest quality array of **Diesel Engine, Silent Genset, Diesel Generator, Pump Set**, etc. We provide these products under the brand name **Power Lite**. We are a **Partnership** firm that is incepted with an aim to provide qualitative products. Under the leadership of, “**Mr. Rajesh Jain**” (**Partner**), we have been able to cater bulk necessities of patrons in an efficient manner.

We were established in **1985**, as manufacturer of diesel engine spare parts. Since then we have continuously excelled in delivering quality products. With growing consumer base and their trust, we have also ventured into manufacturing of diesel engines, pump sets and generators along with spares.

India is taking a forefront in the supply of generators and with a sustained demand in the field of agriculture, it is an ever-growing industry. Keeping this in mind, we segregated a separate unit strategically focused on manufacture of generators and pump sets

Our prime focus has always been on maintaining and delivering quality products throughout. Understanding the importance of after sales service, we have always endeavored to provide the best available solutions to our clients.

Quality Products, Optimized Service and Valued Relations are key drivers for us.
