Arihant Engineering

<https://www.indiamart.com/arihantengineering/>

Arihant Engineering is a reputed firm engaged in manufacturing and supplying Bamboo & Wood Working Machines, Bamboo Application Machine and Plant etc. An ISO 9001 : 2008 certified company.

About Us

Arihant Engineering an **ISO 9001:2008** facility located at **6 - Industrial Area, Ujjain Road, Dewas (M.P.)** manufactures wide range of bamboo processing and wood working machines such as: Cross Cutting, External/Internal Knot Flattening, Parallel/Chain Hydraulic Splitter, Straight Slicing, Flattening and Square/Round Stick Making Machines both electrically driven and manual.

Each of these machines is fitted with safety guards and waste collecting system to address the health, safety and environment concerns.

We also manufacture vacuum impregnating plant for chemical treatment and seasoning of bamboos and its components.

The tungsten carbide tipped circular cutters and tools, which are critical components of these machines, are manufactured by us in house, rendering capability to fine finish and provide desired cutting accuracy to our machines. In our constant pursuit to modernize our machine shop we have added **Latest Model : HMT Praga : Tool & Cutter Grinding Machine**. This would enable us to provide more accurate machines to the delight of our enlightened customers.

Our machine shop is equipped with CNC machines and various sophisticated universal milling, copy turning, broaching, lathe machines with multi tasking heads.

Recently we have also added Carbonizing plant, dryer, Mitre Cutting machines (Multi Axis), Drum Sander, blade Stick Making Machines etc. enlarging the range of our machines....
