About Us

Established in **1990**, **Arihant Plastic** is the leading **Manufacturer** of **Garbage Bag, Packaging Bag, Nursery Bag , Reprocessed Granules, Polythene Liner and much more**. In order to fabricate these products, our skilled and talented designers make use of new ideas and creative designs. Offered in different thickness, designs, patterns, and colors, these products are extensively cherished in the market for their easy to carry nature, eco-friendliness, reusability, attractive design and strong stitching. Also, we offer the customization facility of this range to satisfy our clients in all respect. We have successfully established ourselves in the industry as a reliable and trustworthy organization known to serve optimally our clients. This has been possible due to the efforts of our Director, **Mr. Vishal Taterh**. His experience in the industry has helped us in attaining huge client base all over the nation.
