

Arnav Resources Inc.

<https://www.indiamart.com/arnav-resources-inc/>

We are a noted manufacturer and exporter specialized material for decorative packaging, which are sold under the brand name spectra. Owing to easy application and high color definition, these are widely demanded in the global market.

About Us

We, **Arnav Resources Inc.**, are counted among the industry leading manufacturers and exporters of a wide variety of **Specialized Material for Decorative Packaging**. Owing to durability, high color definition and resistance to water, chemical and heat, our offered products are in high demand in the global market. The foils we offer are basically used to enhance the appearance of or to decorate various objects, such as cosmetic boxes, wine boxes, greeting cards, stationery goods, bottles & jars, and many more. Our products are available with “SPECTRA” certified brand. Further, we also provide OEM designs as per the preferences and requirements of our clients.

Being facilitated with a state-of-the-art infrastructure, we have been efficiently producing the foils with the help of cutting edge technology. Our expert professionals thoroughly check the produced foils on various parameters. Further, the consignments are carefully packed using quality raw material to prevent any kind of damages during transit.

Our organization has been appraised in the global market for quality products, timely delivery and ethical practices. All our virtuous efforts have enabled us to gain a wide client base in the world. We are efficiently exporting our products to **America, Europe, Australia & Asian** countries.
