We are one of the leading manufacturers, suppliers & exporter of very captivating range of **Perfumes**. These perfumes are known for their pleasant fragrance, long-lasting effect and skin friendly nature.

About Us

We, "**Aroma Perfumes**", founded in the year **2003**, are listed amongst the most prominent manufacturers, suppliers & exporters **Perfumes**. Our products are acknowledged for the curative properties that offer fresh feeling & enchantment to the users. The perfumes prepared by our organization provide the fragrance that mesmerize the senses of the user. Formulated employing natural and pure extracts, our perfumes are highly effective and have long lasting fragrances. Each product is formulated in accordance with the national as well as international quality standards. Furthermore, we examine the quality of each product for detecting leakage and evaporation. Owing to our marketing and sales executives, we promote our products by installing outlets at different places. With a goal of keeping our clients well satisfied, we follow ethical and transparent business policies that have made us able to muster a huge client-base. We have developed under the guidance of our owner, '**Mr. Riyaz**'. His immense product knowledge and management skills have supported us in extending our business operation across the country.
