<https://www.indiamart.com/arunachalam-industries/>

Our company recognized for manufacturing, exporting and supplying a wide range of agricultural machines, mixer machines and more. With our committed approach towards business, we have established strong client base.

About Us

Arunachalam Industries is a private limited organization, came into existence in the year **1991**. Ever since its establishment, the company is engaged in **manufacturing, exporting and supplying** a comprehensive range of **Concrete Mixer Machines, Block Making Machines, Cutting Machines, Pallet Stands, Agricultural Machines** and many more. Manufactured using high grade raw material, our products are high on performance, strong as well as extremely long lasting. We procure material from the authorized market vendors, whom we have selected after conducting rigorous market surveys. Advanced production techniques are adopted to cope up with the upcoming market preferences and growing requirements of clients. Due to our committed approach towards business and optimum performance, we have established strong base of clients almost all over the nation. With our client focused approach, ability to serve to the needs of clients and making transparency in dealings, we are able to garner huge support of clients. Under the astute guidelines of our proprietor **Mr. Selvaraj**, our company has successfully placed its name in the list of top notch organizations. He also helped us in garnering huge support of clients with his sharp business insight, rich industrial experience and visual approach. Our company has established a sophisticated infrastructure, where latest amenities and all required equipment have been installed by us. The whole set-up is...
