

Aryan Manufacturing

<https://www.indiamart.com/aryanmanufacturingco/>

We are recognized as one of the prominent manufacturers & suppliers of Metal Garment Fittings & Chain Pullers. Available in varied specifications, these products are anti-corrosive, durable. We are looking queries from India.

About Us

Established in the year **1994**, we, "**Aryan Manufacturing Co.**", are a renowned manufacturer and supplier of a huge assortment of **Metal Garment Fittings & Accessories**. Our line of products consists of **Sand Casting, Metal Logos, Buckles, Zip Puller, Chain Zip Sliders, Buttons, Logo Badge, Metal Badges, Pressure Die Casting, etc.** We are highly acknowledged by our clients for our outstanding range of products, which is of impeccable quality. Features like smooth finishing, durability, resistance to corrosion and dimensional accuracy have made our products popular among garment and fashion industries.

Our products are manufactured using high-end machinery and latest manufacturing techniques. The production is carried out under the stringent supervision of our quality controllers. They also conduct a series of tests on these products before commercializing them. The whole business processes are improvised with the help of our modern infrastructure that is equipped with modern machines & equipment.

We are thankful to our mentor, '**Mr. Rasool**', whose business acumen and management skills have accentuated our organization as one of the prominent business enterprises. Due to his ethical business policies and customer friendly approach.
