Incepted in the year 1961, we “Ashok Vijay Engineering Works” are reputed **manufacturer, trader and supplier** of qualitative array of **Piston Valves, Ball Valves, Ammonia Valves, Gate Valves, Check Valves, ...**

About Us

Incepted in the year **1961**, we “**Ashok Vijay Engineering Works**” are reputed **manufacturer, trader** and **supplier** of qualitative array of **Piston Valves, Ball Valves, Ammonia Valves, Gate Valves, Check Valves, Globe Valves, Butterfly Valves** and **Forged Valves**. Located at **Ahmedabad (Gujarat, India)**, we have set up a state-of-the-art infrastructural base that comprises various divisions such as procurement, production, quality testing, sales & marketing and warehousing & packaging. Our production division is outfitted with all the requisite machinery and equipment in order to manufacture valves at high production rate. We are supported by team of procurement agents, quality controllers, sales & marketing representatives and storekeepers. Apart from this, owing to our fair business policies, client centric approach, wide distribution network and flexible payment modes, we have gained huge base of clients across the country.
