About Us

Pt. Raja Modgill is practicing Astrology since 2000. before this his father Pt. Sohan Lal Jyotishi(1962-2000) was practicing. In his long span of practice, he experienced to examine the thousands of horoscopes and predicted a lot of accurate predictions appreciated worldwide by the clients in many countries .

Very early in his childhood he lost his innocent heart to the mystical and the para-normal subjects. And thus ,mesmerized he fumbled his way through the study of Palmistry, Numerology, Gemology & Tantras. The Lal Kitab & various other ancient Indian treatises served as a fascinating cornucopias, which explored along with an increasing clientele whom value as friends & followers body .
