## About Us

Established in the year 2008, **Super Food Exports** is a growing company engaged in exporting and supplying unadulterated and impeccable quality Agro Food Consumable Products. Our products are appreciated worldwide for their freshness, purity and quality packaging. We are firmly committed for the time lined delivery of reasonable priced products at our clients' end. We entered the market with an objective of putting "Clients First" and today we have gained loyalty of our clients following the same. Supported by a team of expert professionals, we are able to offer optimum quality products to our clients. Our team performs various tests and closely monitors the entire process of procurement, processing and packaging so that our clients receive products with their natural taste and nutritional value. Moreover, we have associated ourselves with industry's leading agro vendors to procure our range. Our mentor, **Mr. M. Kamaraj**, is an inspiring leader and dedicated co-worker of our organization. His futuristic vision and approach has helped us in shaping our organization as a large and dynamic enterprise. Further, with the support of our competent professionals, we have garnered huge client base in the major cities of Tamil Nadu covering Vellore, Thirupattur, Perampattu and in other parts of globe.
