We are an ISO 9001:2000 certified Client is manufacturer, supplier & exporter Of Brass Components. Our Brass Components are appreciated owing to their features like durable nature, optimal performance and corrosion free.

## About Us

Established in the year **2004**, we, "**Aum Industries**", are an ISO 9001:2000 certified Manufacturer, Supplier and Exporter of **Brass Components**. This assortment of products is manufactured using superior quality raw material procured from the trustworthy vendors of the domain. Our products are widely acclaimed due their corrosion resistance dimensional accuracy, durability and precision engineering. Backed by the sophisticated and well-built infrastructure unit, We have been able to execute all production activities smoothly and sophisticatedly. We are equipped with all the essential tools and machinery that help us in conducting production on large scale. Moreover, we have established a quality control unit that helps us supply flawless products. Under the visionary guidance of our CEO, '**Mr. Faizan Bastawala**', we have garnered a vast client-base across the globe. His incisive knowledge and years of experience have helped us in creating a niche of our organization in the major markets of U.S.A, Australia/NZ, Indian Subcontinent, East Europe, East Asia, North Europe, Middle East, South/West Europe, South East Asia and North America.
