We are one of the leading suppliers and importers of a wide range of safety, mechanical and electronic equipment. We also provide erection services. We wish to establish ourselves as trusted business partners of our esteemed clientele.

## About Us

**Auz Enterprises** was established in the year 2009. In this short span of our presence in the industry, we have become the leading suppliers and importers of currency counting machines, all types of safety equipments, electronic and mechanical equipments. We also undertake installation and erection services.

Our products find application in a variety of areas, they value add value to automate various tedious processes and procedures which otherwise take lot of time and effort of various organizations. Our products also add to the comforts and efficiency of our clients in many ways.

As per the requirements of our business domain, we have a team of experts who are well versed with the technologies and products which we deliver or install, we have a large warehouse where we store our products before delivering them to customer clients. Our products are packaged effectively so that there is no kind of breakage or damage before delivering them to the clients.

Our team of dedicated professionals is well trained and experienced for installation, erection and maintenance of the product we supply. The team is familiar with the latest trends and breakthroughs in the market. Also there is an effective coordination between the customer and employees. We maintain long- term relations with the customer, which is beneficial for both the parties. Our company is headed by **Mr. Syed Azam Moinuddin**, who is very well qualified and has a rich...
