## About Us

AVM Logistics In Management provides air cargo services for international imports and exports. As with ocean freight, we can handle your cargo from door to door, terminal to terminal and terminal to door. We can ship your goods to and from almost anywhere in the world. Our staff of air cargo specialist can offer you personalized service. We will take the time to first understand your specific needs and tailor our services to match your shipping requirements. AVM is experienced in handling all types of air cargo shipments from large scale projects to smaller express shipments. Compared with ocean freight, air freight is faster and safer. While air freight services are generally costlier than ocean freight, you can often send your goods in 1-3 days to almost any location in the world.
