About Us

AVN Enterprises was started in India, a trend setter in the turf of dress and outfit exports, where amidst many tough times, we were able to position ourselves as one of the best exporters of apparels in the business line for more than 20years. We send our dresses to the people of Singapore, Kuwait, Abu Dhabi, UAE and Maldives. We are also on the run to discover and undertake our business at the U.S and U.K markets. We have costumes that's tailor made for people of all ages, Kids, Women, Men, Lingerie, Boys and Gals all get their choice of their taste. We also export bits and pieces like socks, belts, caps and other appurtenances. Any add-ons that our client needs will be fetched and brought to cover their skin. Materials are checked and at every stage of the exporting to ensure flawless fabrics and total customer satisfaction. The adept temperament in carrying a significant export of dresses with undeniable pledge on perfection and idiosyncrasy, this is our kind, our gender.
