**A.V. Workshop Ltd.** was set up by Arul Harris in 1986. He had earlier worked in Lintas Advertising in Mumbai, Western Outdoor Advertising in Mumbai and Delhi and in Audio Visual Associates in Delhi.

## About Us

**A.V. Workshop Ltd.** was set up by Arul Harris in **1986**. He had earlier worked in Lintas Advertising in Mumbai, Western Outdoor Advertising in Mumbai and Delhi and in Audio Visual Associates in Delhi. With over 30 years' experience in various aspects of audio-visual communication, Arul has won appreciation for the high quality of his work, reliability and problem-solving ability. We are engaged in **productions, installations and equipment rental of simultaneous interpretation systems, large multi screen dataton watchout production projection, sound & light shows, production of corporate films & presentations, 3d stereoscopic production and projection, wide screen power point development & projection, scala - digital audio visual programming.** In 1987, he was joined by Veenu Pasricha, who now heads the sister concern A.V. Graphics Pvt. Ltd. A graduate of IIT Delhi, Veenu brings his technical and creative skills, not only in graphics and audio-visual production, but also in the design and programming of lights and the production of son et lumiere (sound and light) shows. The people at A.V. Workshop are trained, experienced and equipped to handle the most complex communication needs for large audiences. We have dedicated teams for specialized tasks. We also have a select group of channel partners for specific assignments. Our skill sets, expertise and knowledge base have grown exponentially over the years. We have built up...
