Axis Industries

<https://www.indiamart.com/axis-industries/>

We are the foremost Manufacturer and Supplier of a qualitative assortment of CNC Turned Component, Ball Bearing Race and Auto Parts. These products are designed and manufactured as per the international quality standards by our experts.

About Us

Established in the year **2008**, at **Rajkot (Gujarat, India)**, we, “**Axis Industries**”, have gained recognition as the leading **manufacturer** and **supplier** of a comprehensive array of **CNC Turned Component, Ball Bearing Race and Auto Parts**. These products are designed and manufactured under the supervision of our quality experts using excellent quality raw material and sophisticated technology in compliance with the international quality standards. The offered products are widely acknowledged among our clients for fine finish, high durability, sturdiness, dimensional accuracy and corrosion resistance. We offer our product range to our clients after stringently testing it against various quality parameters to ensure flawlessness. Moreover, we offer our product range in various specifications at industry leading prices. We have setup a state-of-the-art infrastructural base that includes functional units such as procurement, manufacturing, quality testing, warehousing, packaging, etc. All these units work in close-co-ordination with one another to meet the specific requirements of clients within the stipulated time frame. These units are installed with all the necessary machinery, equipment and tools, which allows us to manufacture qualitative range of products. In addition to this, we have a team of highly experienced professionals, who are selected by us on the basis of their industry experience and knowledge. By...
