

Baba Tools & Gases

<https://www.indiamart.com/baba-tools-gases/>

We are one of the leading supplier, retailer, and wholesaler of mill and hardware tools, nuts, bolts, screws, bearing, electrodes, industrial oil, grease and welding material, p. U. Fitting etc.

About Us

Baba Tools & Gases, established in the year 2003 is one of the prominent supplier, wholesaler and retailer of **Precision Tools** such as **Mill & Hardware, Tools, Nuts & Bolts, Screws, Bearing, Electrodes, Industrial oil, Grease, Welding Material, & P.U. Fitting etc.** Our tools are procured from vendors with known reliability and strong market credibility. We also offer **after sales services** including on-line support, user manual installation and operation training of our products. We are authorised distributor of **Pidilite products** like **fevikwik, steelgrip, Waxpol Polishes, Kranti water meters, Afra & Zenith silicon spray, Elfy and Araldite products.** With quality being our main concern, we have established a quality control team who are responsible to check for the quality of our products. Their continuous monitoring and vigil have helped us offer our clients with a flawless range of products. Our proficiency in offering remarkable products since inception has been recognized by our clients and greatly appreciated. We also supported with a spacious warehousing facility that is facilitated with all requisite storage spaces and is very convenient for stocking products in bulk. Utmost care against abrasion and corrosion is taken by our efficient warehousing staff. We have with us a talented pool of efficient professionals who carry the regular business operations with...
