Bajaj Chemicals

<https://www.indiamart.com/bajaj-chemicals/>

We are a distinctive manufacturer and supplier of Acid Slurry. This chemical is widely acknowledged for their high purity level, effectiveness and accurate composition.

About Us

Established in the year **1981**, we, "**Bajaj Chemicals**", have emerged as an eminent manufacturer of **LABSA (Detergent Slurry) & Linear Alkyl Benzene Sulphonic Acid (LABSA)**. We have gained huge appreciation by our clients due to the unmatched quality and various features of our range like purity, accurate composition and effectiveness. We offer **LABSA (Detergent Slurry) & Linear Alkyl Benzene Sulphonic Acid (LABSA)**. We are supported by a team of talented and experienced professionals, which is engaged in putting its extreme efforts towards the attainment of all our organizational goals. Our professionals are able to deliver suitable solutions to our clients with the help of our state-of-the-art manufacturing facility, which is well-equipped with advanced machinery & equipment. Further, we are able to ensure the exceptional quality of our entire range due to our modern & sophisticated testing laboratory. This lab is equipped with high-tech equipment like **Reactors and Stirrers** that assist our quality controllers in conducting an in-depth check of our chemicals. Under the able guidance of our mentor, "**Mr. Shekhar Bajaj**", we have attained an enviable position in the chemical industry. Due to his consistent efforts and visionary skills, our organization has carved a niche in this domain.
