

Bajaj Prime Lubes

<https://www.indiamart.com/bajajagcns-bajajprimelubes/>

We are one among the major **suppliers** of all kinds of **Industrial Lubricants & Greases**. These are widely supplied to our clients in Western Parts of U.P. & N.C.R.

About Us

We, "**Bajaj Prime Lubes**", situated in **Ghaziabad, Uttar Pradesh** are engaged in the **supply** of a comprehensive range of **Lubricants**. We offer a wide range of **Industrial Lubricants** that includes **Turbine Oils, Morgan Bearing Oils, Hydraulic Oils, Fire Resistant Hydraulic Fluid, Compressor Oils, Machine Tool way Oils, General Purpose Machinery Oils, Industrial Gear Oils, High Temperature Chain Lubricant, Spindle Oils, Mist Lubricant, Synthetic Gear Box Oils** and **Thermic Fluids** in **Delhi/NCR, Ghaziabad, Uttar Pradesh and Merrut**. Our reputable position in the market has been possible only due to our valuable business relationship with the renowned vendors. Thus, we have a long association with the rich vendor base in the field of lubricants. Incorporated, under the guidance of "**Mr. Umesh Kumar Bajaj**", (Prop) we have scaled new heights of success and carved a niche for ourselves in this highly competitive segment. His in-depth knowledge and innovative approach with several years of experience in this domain has led our turnover to increase up to millions in a short span of time. We have the requisite facilities and warehouses to store our range of products and meet bulk orders at any given point of time. We also have good arrangement of logistics and supply management network that has given us a huge credibility in the market.
