About Us

Our company, **Balaji Engineering Works** is the leading name amongst the topmost companies and was established in the year **2007**. We are a Sole Proprietorship based firm and located in Tamil Nadu, (India). Along with this, we are a leading **manufacturer** of Work Table, Stainless Steel Sinks, Cooking Range, and much more. These products are available at most economical prices.

Balaji Engineering Works company was established by **Mr. V. Parandhaman**, who has 30 years of experience in design and manufacture of commercial kitchen equipment. We were into production of kitchen materials and kitchen segments. The company provides unmatched quality products to its valued customers as we use only Food-Grade quality stainless steel materials, and we ensure that our customers get the finest quality of products at competitive prices. People generally required our products as we provided them the three basic necessities which they found missing in the prevalent markets 'quality', 'affordability' & 'reliability'.
