We are a leading manufacturer and exporter of a wide range of Air Handling Products like **Air Ducts & Air Diffusers**. These are customized as per the specifications of our clients and are in wide demand across the globe.

About Us

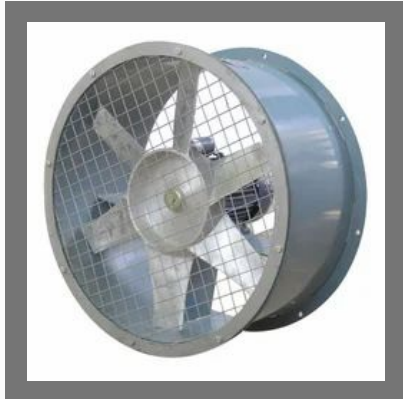

Incepted in the year **2005**, '**Balaji Enterprises**', has become one of the leading **Manufacturers and Exporters of Air Diffusers, Aluminum Ventilation Grilles, Adjustable Reflection Grilles, Duct Damper, Duct Diffusers, Aluminum Grilles and Linear Slot Diffusers** with brand name "**COOL STAR**". Apart from these, we also offer **Two-Way Linear Grilles, Air Intake Louver Grilles, Extruded Aluminium Grilles, Aluminium Ventilation Grilles, Aluminium Egg Crate Grilles, Volume Control Damper and Volume Control Damper with Blades**. Our air handling units comprise air cooled condenser, air handling unit for clean air application, blowers, fan coil units, ductable split unit, heat transfer coil, floor mounted vertical air handling unit and floor mounted horizontal air handling unit. Among these, our blowers are highly efficient and give more air with less HP. In addition, these are of non overloading type offering smooth running and easy operations. The floor mounted vertical air handling unit and floor mounted horizontal air handling unit are constructed using high grade material and are available in custom built unit layout and component spacing. Under the expert guidance of our owner '**Mr. Ashwani Barnabas**', we have created a niche for ourselves in domestic as well as international markets. Today, emerging as a renowned name in the industry of air handling units, we have with us product support from many quality conscious clients...
