About Us

Balaji Handicraft, Uttar Pradesh was established in the year 1980 and is known for manufacturing & supplying a wide range of Handicraft Products. Balaji handicraft that came into existence a years ago is still the hallmark of this spectrum of beautiful, quality products. We achieve this with the leadership of a young chairperson, expertise of our family of artisans.

Backed with innovative and creative craftsmen and designers, we have been able to provide our patrons with the best quality handicraft products. The offered range of handicraft products are highly demanded in various residential establishments for interior decoration purposes. Our patrons can avail these handicraft products in various sizes, designs and patterns.
