About Us

Balaji Laser India came into existence in the year **2009** as a **Sole Proprietorship Firm** at **Chennai, Tamil Nadu (India)**. Capitalizing on our every-upgrading technologies, domain expertise and strict quality control, we are able to provide best products that suit client specific requirements. We offer a huge array of products such as **Signage Board, Metal trophy, Wooden Corporate Gift, Acrylic Sheet** and many more. Our products ranges are intricately designed and flawlessly finished. They look highly attractive and have light weighted structure. Every dimension of the end product is tested so that no discrepancy arises at clients' end. Ever since our establishment our clients never encountered any drawback in the class and quality of products offered by us. In our team, we have also recruited a skilled team of researchers, who study the current technological advancements in the industry and bring forth improvisation in our product range. We are also engaged in providing **Laser Service** as per the demands of our valuable clients. Prompt delivery, fair trade practices and cost effective price structure further solidifies our position in the industry. The business operations of our organization are led by **Mr. L. Prakash**, who is also the **Sole Proprietor** of the company. His clear vision and far sightedness help us in creating a huge client's base across the nation. He has prioritized every element...
