B S Foam Industries

<https://www.indiamart.com/balajisales-surat/>

To meet the diversified needs of our esteemed clients, we are highly engaged in Manufacturing, trading and Supplying of premium quality Density Foam and PU Foam. Moreover, our clients can avail these products from us at industry leading prices.

About Us

Established in **2015** as a **Partnership** firm at **Surat (Gujarat, India)**, we “**Balaji Sales**” are a foremost **Manufacturer, Trader** and **Supplier** of an optimum quality range of **Density Foam** and **PU Foam**. These foams are precisely manufactured making use of the finest quality raw material and latest techniques in tandem with the set industry norms. The offered foams are highly acknowledged for their unique features like perfect finish, durability, high water absorbent capacity, softness, etc. These foams are made available in several specifications and can be customized as per the diversified needs of our prestigious clients. In addition to this, our clients can avail these products from us at industry leading prices.

In order to manufacture these foams, we have established an advanced infrastructural unit that spreads across a wide land area. This unit is separated into different functional units like production, quality testing, research & development, etc. These units are well-equipped with latest machines, equipment, technology and tools. Owing to the support of our advanced manufacturing facility, we have been able to manufacture these forms in an efficient way. We are backed by hard-working and adroit professionals who are capable of offering the best quality foams as per the variegated needs of our clients. Our professionals keep themselves update according to the current market developments...
