Balgovind Kuberdas Co.

<https://www.indiamart.com/balgovind-kuberdas/>

Committed to help in easy learning, we are an eminent manufacturer and trader of a wide array of simple as well as imaginative teaching & learning aids. These educational equipment help in healthy development of a child.

About Us

“There is nothing so important as children in this world, nothing so interesting either.” A child's mind is like a plain canvass wherein each scribe can take a permanent shape easily. Moulding a child's personality is similar to making pottery that involves meticulous care and dexterous touch. A right education can empower them for life and create the future leaders and thinkers in future. Ever since our inception in 1918, Balgovind Kuberdas & Co., has striven to provide befitting products for every child's need. Making the world as well as education more interesting & amusing for children, we manufacture maps, charts, books, toys and other educational equipments.
