About Us

We, **Balu Agencies** are one of the leading traders and suppliers of a customized range of **Wooden Furniture**. Our range is highly attractive and provides an elegant touch to the decor of the place. These have wide usage in several official, commercial and household establishments. Moreover, these are also highly durable, have a long service life and are made of quality materials to ensure their conformity to international quality standards. We provide them in various shapes, sizes, colors and other specifications. Their fine-finish, smooth texture and edges have made us the most preferred choice of our clients in this highly competitive environment.

Incorporated in the year **1973**, under the guidance of our mentors and guide, we have reached the pinnacle of success and have established a strong foothold in this industry segment. Our range is widely appreciated in the national as well as the international markets. We have been able to develop a huge customer base since the time of our inception and our turnover has scaled up to millions in a short span of time.

We have a wide distribution network and ensure the timely delivery of our consignments. Our range is sourced from the authorized vendors of the country who have a long-standing credibility in the market. We also have a separate team of procurement agents who carefully selects the vendors and sources products from them based on the clients' specifications.
