<https://www.indiamart.com/banga-industries/>

We are an ISO 9001:2008 certified company, prominent manufacturer and exporter of a wide range of Crepe Bandages, Rehabilitation Aids & importers of Digital Thermometer & Adult Diapers.

About Us

Established in the year 1982, we, **Banga Industries**, are a leading manufacturer and exporter of an extensive array of Crepe Bandages, Rehabilitation Aids. Our diversified range comprises Cotton Crepe Bandage BPC, Cotton Crepe Bandage (BP), Lumber Sacro Support, Abdominal Support, Tummy Trimmer, Knee Support, Cervical Collar, Ankle Support, Elbow Support. These Support are produced on world class swiss weaving machines in 100 mm width with brand name duly weaved on the skin friendly elastic. Our range is widely demanded in health industry due to its features like non fraying edges, high flexibility and good elasticity. We are also offering Digital BP Meter, Digital Glucometer, Digital Pedometer, Digital Thermometer, Oval Thermometer & Piston Compressor Nebulizer.

Having sound infrastructure sophisticated facilities, we are able to manufacture best quality range of Crepe Bandages, Rehabilitation Aids. Our team is our backbone, which enables us to maintain strong foothold in the market by their performance. We have attained growth by fulfilling bulk orders in minimum stipulated time limits. Due to this approach, we are able to attain a huge client base across the world.

Our organization has attained success under the able guidance of our mentor Mr. Rajeev Banga. It is his profound knowledge and rich experience that enables us to carve niche in the industry.
