<https://www.indiamart.com/bapujisurgicals/>

We are engaged in manufacturing and supplying of Surgical Dressings, Surgical Drapes & Gowns and Surgical Hygiene & Protective Products. These products are known for high durability, reliability and easy to use features.

About Us

Established in the year **1980**, at Bengaluru (Karnataka, India), we, "**Bapuji Surgicals**," are an eminent manufacturer and supplier of Healthcare Products. These products are fabricated using high grade quality raw material, which is procured from our reliable vendors. Our offered range of products is extensively used for a variety of applications in hospital industry due to its reliable performance, optimum effectiveness, high durability and cost-effectiveness. Further, these products can also customize as per our clients' specifications at the most competitive prices.

Due to our premium quality products and our high capability to meet the client's requirements within the specific time frame, we have received vast acclaim in this domain. Our well established infrastructural facility enables us to supply wide range of product according to the clients' requirements. Further, our highly experienced team of professionals manufactures these products in compliance with worldwide quality standards. These products are well tested in our quality testing department by our inspectors on various quality parameters. Furthermore, owing to our ethical business practices and client centric approach, we have formed vast clientele across the country.

Under the imperial aegis and constant motivation of our mentor, ' **Mr. Prashanth (Manager)**', has helped us carve a remarkable niche in the industry. His qualified approach and...
