Basant Industries

<https://www.indiamart.com/basantindustries/>

We are the foremost Manufacturer, Importer and Supplier of a comprehensive assortment of Industrial Process Machines and Power Presses. Our offered product range is valued among clients for its High Quality, Efficiency and Reliable Performance.

About Us

"Basant Industries" is over **50 Years** old establishment founded by **"Mr. S. Basant Singh"**. The Company is in the field of manufacturing of complete range of machines for **Sheet Metal & Forging Industries**. The Company is exclusively engaged in the manufacturing of **Power Presses, Forging Presses, Knuckle Joint Presses & Hammers**.

State of the Art Manufacturing facilities are managed by highly skilled work force & dedicated team of quality professionals to deliver the best quality products at economical prices to our customers on global platform.

We are also Importing new & second hand power presses, which are reconditioned & rebuild here in our own plant. We ensure Quality, Reliability and proper working of machines before delivery. The Manufacturing facilities comply to the stringent requirements of **ISO 9001:2008** and formal certification of TUV.
