About Us

BBJ Export since our inception in the year **2007** has been reckoned **manufacturer, wholesaler, retailer, supplier and service provider** of an extensive collection of premium quality **Ladies Ghagras, Ladies Sarees, Ladies Suit, Ladies Gowns, Ladies Maxi and Ladies Dress Material**. We are service provider of **Ladies Garments Customize Work**. The best quality fabrics are being used in designing and stitching process, under the direction of our creative tailors, to ensure the supreme quality, colorfastness, elegant designs, shrinkage resistance and fine finish, in order to present only quality enriched items at our patrons' end. We lend a special emphasis on the colors and designs of the outfits that makes them unmatched choice in the market. All our dresses are fabricated keeping your essence in mind. It is a fashion house where modern-day designs breathe in. Every dress that we offer is fabricated from top quality raw materials and finest fabrics. Moreover, our dresses are a variety of expression that blends well with your body type, personality and preference. Providing the supreme quality dresses is our main concern. We always make an effort for supreme quality. We genuinely care about our clientele and go above and beyond to offer the best client experience. What make our dresses special from our contemporaries are wonderful designs, elegance and sheer opulence. The dresses that we offer stand for feminine...
