B.B.S.Process Controls

<https://www.indiamart.com/bbsprocesscontrols/>

Our organization is a premier manufacturer and supplier of Temperature Measuring Instruments, Gas Purification Systems, Mechanical Seals & many more.

About Us

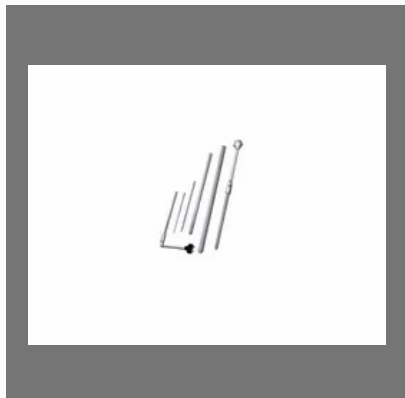

BBS Process Controls is a well acknowledged name in market for offering premium quality of products and services. The firm came into business activities in the **year 2005** as a **Sole Proprietorship** concern and is located at strategic business location at **Hyderabad, Andhra Pradesh**. We are doing a highly praiseworthy job of **manufacturing, and supplying of Temperature Measuring Systems, Gas Purification Systems, Gas Purification Panels, Gas Manifold Systems and many more**. Apart from this, we also render **Gas Pipeline Installation Services for laboratories**. The idea behind forming the company was to serve the clients in market with genuine products and services. We are very proud that we are performing excellently in market and fulfilling the entire aspiration of clients with great enthusiasm. Our entire range of products ensures high performance and requires very less maintenance. The clients heavily rely on our products for their high efficiency and proven record of performance. The organization has made huge progress and grown by leaps and bounds owing to the support of our **Proprietor Mr. M Balu**. He is an exceptional entrepreneur with versatile personality today we are enjoying in market owing to his unconditional support in our all endeavours. **Mr. Balu** has enormous experience and has command over every aspect of business. His nature is very accommodating and...
