# Bee EM Multitech

<https://www.indiamart.com/beeemmultitech/>

We are one of the prominent manufacturers, suppliers and engineering consultants of a wide range of Industrial Filters and Filter Accessories. These products are superior in quality and contain high filtration efficiency.

## About Us

"**Bee Em Multitech**" have been engaged in manufacturing and supplying a wide range of **Industrial Filters** and **Filter Accessories**. These products are high performing and can be customized as per the requirements of our clients. Our company also provides engineering consultancy services for our range of products along with efficient after sales services.

Due to the superior quality of our products and efficient services, we have earned a tremendous amount of market reputation. Our well developed distribution network has enabled us to make our products available to our clients. There are many prestigious clients who are associated with us. Prime importance is given to the quality of products and therefore, these are tested by third party inspection agencies such as **EIL, PDIL, KTI, BV, Baxcounsel, Rites** and many others. Moreover, we also provide our clients with the facility of on-site manufacturing coupled with after-sales support.
