“**Bell Pins pvt ltd**” is leading Manufacturer of an excellent quality of Pneumatic Staplers, Nails, Pneumatic Nail Puller and Manual Tools.

About Us

Incepted in the year **1952**, we, “**Bell Industrial**”, are illustrious companies, involved in manufacturing a wide gamut of Pneumatic Staplers, Pneumatic Nail Puller and Manual Tools. Being a client-oriented organization, we strive to offer supreme quality products to our respected patrons. Our procuring team makes sure that quality material is obtained from the trusted vendors. Furthermore, these products are tested on different parameters by our quality inspectors before the final delivery.

In addition to this, they make sure that sourced products are made at par with the international quality standards. In order to store the products in bulk quantity, we have developed a spacious warehousing unit. This helps in meeting bulk demands of our clients within a stipulated time frame. Due to our timely delivery and transparent monetary transactions, we have been able to maintain long lasting relations with the patrons.

Under the able guidance of our mentor, '**Mr. Dilip Dhanasingh (Managing Director)**', we have occupied a commendable position in the era of competition. It is his valuable guidance that has enabled us to build a huge client-base for our offered range of products across the world. His excellent managerial skills, vast experience, and in-depth knowledge are few attributes that have enabled our firm to emerge as a leading company in this domain.
