About Us

Our company Bells Electrical Company was established in the year 1966. We are the leading manufacturer of Glass Tape, PVC Tape, Cotton Tape etc. These products are made by good quality raw material and under the guidance of our quality check supervisors. These products are highly durable and reliable. Our offered products are mainly used for automobile harnessing, packaging, floor marking and in joints of wires and cables. To meet the various requirements of our customers, we are able to offer these products in many colors and sizes. Our clients can avail these products at market leading price.
