About Us

Inaugurated in the year **1982**, at **Delhi (India)**, we, “**Best Plast**” namely “**Agro Plast**”, are highly engaged in **manufacturing** and **supplying** an outstanding range of **Plastic Household Items** such as **Buckets, Tubs, Kitchen Tokra, Drums, Waste Paper Buckets** and **Unbreakable Taslas**. Our exclusive range includes **Best Buckets, Basic Buckets, Sumo Tubs, Ruby Tubs, Metro Tubs**, etc. In short span of time, we have established ourselves as trustworthy organization. The features such as unquestionable quality, durability, versatile sizes, exquisite design and reliability are the hallmarks of our company. These products are manufactured using the best quality basic material as per the pre-defined standards of the international market. Products offered by us are available in various sizes, designs, colors and dimensions as per the variegated needs of the customers. Since the early years of our establishment, we knew that for fast and considerable progress in the industry it is necessary to have a rock solid and huge infrastructural facility. We direct both our financial and human resources towards developing our wide infrastructure. It comprises highly developed production unit equipped with varied imported machines that are instrumental in designing high end products. Additionally, we also keep on upgrading our infrastructural base to improve our production rate. Our workforce has played an influential role...
