## About Us

We Bhandari exports, are striving to evolve with a vision to offer premium quality products through a proficient team, superior services, provided at competitive prices. To maintain a competitive edge in the global market, we have constantly been upgrading our technology. Our products like home furnishings, home textiles, cotton home furnishings, decorative home textiles, etc., are designed accordingly to the need of the customer, still keeping the roots of the creative process embedded in the artisan tradition. Standing on the pillar of innovation and research we have expanded our wings to far off countries. Making rapid progress in the industry, we are recognized and trusted for our flawless range of products and our ability to customize exactly as per the clients requirements and specifications. Over the years, with the regular expansion and growth, we have established our sister concern G.K Exports in the capital city of India (New Delhi), which add to our strength and is responsible for manufacturing and marketing of textile and home furnishing products. Our range of product includes wrought iron furniture, decorative wrought iron furniture, decorative iron furniture, wooden furniture, antique wooden furniture, industrial & vintage furniture, antique & re production wooden furniture re-claimed and re-cycled wooden furniture etc.
