BHarat Vigyan (Formally known as Bharat Vigyan Sansthan) was established in 1960, Our Company is in the business of manufacturing & exporting scientific instruments, lab chemicals & electronic instruments along with biological spot required for ...

## About Us

Bharat Vigyan has been a leading national source of laboratory and scientific products, instrumentation, equipment, and supplies. We are proven experts in the fields of providing equipments for school laboratories, consisting of physics, biology & chemistry labs. In this endeavour, with increasing Indian economy & education industry, we have increased our product range from schools to colleges of various fields. Engineering colleges, Medical Colleges, Pharmacy Colleges, Nursing Colleges, Dental Colleges, Polytechnic Colleges etc. Our products are sold throughout India through local self managed dealers and a strong network of our own supplies to cater to the customer directly. We boast of our stock capacity to cater to a minimum of 50n school labs in a single order. Our expansive warehouse is stocked with many of the 60,000 items we offer the scientific and industrial markets.
