

# Bharat Agri Exporters

<https://www.indiamart.com/bharatagriexporters/>

We are exporter and supplier of unprocessed and processed ayurvedic leafs, ayurvedic henna leaves, ayurvedic neem leaves. Our products are known for their culinary as well as medicinal value and are used pharmaceutical and cosmetic industries.

## About Us

We, **Bharat Agri Exporters**, are among the distinguished exporters & suppliers of a wide range of **unprocessed and processed herbal products**. These products are extensively used in pharmaceutical & medicinal industries, and various therapy institutes of the globe. Our range encompasses **Hibiscus Leaves, Hibiscus Flowers, Ayurvedic Hibiscus Leaves, Neem Leaves and Seeds, Tulsi Leaves, Curry Leaves and Powder, Henna Leaves and Castor Seeds**. We are also offering our clients with a wide range of **Turmeric Fingers and Powders, Hibiscus Leaf and Flowers, Jaggery, Ginger, Tamarind Kernel Powder, Aloe Vera Gel and Plant and Maize Kernels**. We procure our range from authorized vendors of the industry and ensure that our products are free from any contamination and are safe for consumption purposes. These products are stringently checked on various parameters to ensure that they are flawless. Apart from trading, we are also engaged in offering agro based services and floriculture services. Herein, we use the appropriate information technology to provide consultation to our clients for the development of green house, floriculture and tissue culture. We are being headed by our mentor, **Mr. Anand Kumar**, who is a prodigy in the domain. His vast knowledge and acumen has helped the organization in gaining visibility in the market and becoming a prominent name in the global arena.
