<https://www.indiamart.com/bharathfushing/>

We are engaged in manufacturing, exporting and supplying a superior quality range of Garments Printing Equipment and Air Compressors. The offered products are appreciated for features like reliable performance and durable finish standards.

About Us

Incorporated in the year **2004**, at **Coimbatore, Tamil Nadu, India**, we "**Bharath Fushing**," are one of the leading names engaged in manufacturing and supplying a superior quality range of **Garments Printing Equipment** and **Air Compressors**. The offered products are extensively used in Garment Manufacturing units owing to features like reliable performance and durable finish standards. Moreover, we also offer customized products as per the exact requirements of clients. With our adroit professionals, we are capable of fabricating 20 machines a month. Also, we ensure that every machine manufactured by us is stringently tested on well-defined parameters in order to avoid any discrepancy at clients' end. Moreover, clients can avail these products at market leading prices. Our ethical business practices and timely delivery further enhances our client list in both domestic and foreign markets.
