The Pet Food People

At Orange Pet Nutrition Pvt Ltd, we understand pets. We get their nutrition needs. Maybe it's because we are pet parents ourselves; maybe it's the rich experience we have in the pet food field. The fact remains, ...

About Us

Established in the year **2001** at **Pune, (Maharashtra, India)**, we “**Bharat International Pet Foods Pvt. Ltd.**” are engaged in **Importing** and **Supplying** finest range of **Dog and Cat Food Products**. These food products are processed at vendor's end using the basic elements and essential ingredients such vitamins, minerals, proteins in appropriate quantity, as per the standard of the international market. Our vendors enable us to cater to the clients' requirements of **Dog and Cat Food Products**. The offered products have uncompromising quality, purity, wonderful taste and high nutritional value which are the trademarks of our products. In a short span of time we have established ourselves as a trustworthy organization in this domain. To meet the diversity in the requirements of the customers we are offering these products in various quantity and packaging. We are offering our products to the customers at general prices in the market. We have crossed milestones of success in the industry by offering optimal quality Products that are procured from our authentic and reliable vendor base. Owing to pure composition, safe consumption and long shelf life of our products, we have won great accolades across the globe. Our rich vendor base and vast supply network help us address the product needs of our clients in an efficient manner. We are associated with the leading veterinary doctors who constantly...
