We are the leading manufacture of Playground equipments, amusement rides and electric toy trains, Multiplay Stations and we mainly focus on quality, services and fulfillment of commitments to our clients.

About Us

Established in the year **2006**, we, “**Bharat Swings & Slide Industry**”, are engaged in manufacturing, supplying and exporting **Playground & Amusement Park Equipment and Dustbins**. These products are manufactures using superior grade raw material, which is obtained from certified vendors. The rides offered by us increase the adventure, fun and excitement among the kids. We artistically design our products so as to gain the attention of children. These products are appreciated for their features like attractive designs, eye-catchy shapes, alluring color-combinations, smooth edges and corrosion resistance finish. Our firm has attained membership of **BCCI**. To meet the specific needs of the clients, we also serve as an **OEM service provider**. Furthermore, out of our entire collection, **30%-40%** of stock is exporter to the overseas market. We have appointed a team of adept professionals, which operates all the business operations in a systematic manner. These professionals work in close coordination with the clients to understand their choices & preferences and accordingly offer the products. We are also backed by a team of qualified quality inspectors, which keeps an eye on the whole production process. These professionals check the quality of each product on numerous parameters before the final delivery. Owing to our quality-assured products and wide distribution network, we have been able to nurture a huge...
