About Us

Bhargava Ajay And Associates was established in the year 1993. We are the leading Service Provider Financial Consultancy Services, Statutory Auditing Services & Direct Tax Consultants Services etc. The finance function needs to be aligned to the business strategy, and provide financial analysis and insight to support corporate decision making, while also meeting legal and regulatory requirements as a given. Businesses require solutions that are often tailor-made and also which help the management make the right decisions at the right time.

We are also engaged in offering our clients with impeccable services for Statutory Auditing Services. These are legally required reviews to ascertain the accuracy of a companys or governments financial record. We have developed a total tax management capability which encompasses the entire spectrum of direct taxes encompassing Tax planning, Compliance, Withholding Tax Advisory, and Controversy Management Services.
