About Us

Established in **1998** at Pune, India, we “**Bhawani Enterprises**” are engaged in trading and supplying a wide variety of Home Appliances Items, Electricals & Electronic Items to our valued customers. We offer an unmatched and affordable rate. We are the manufacturer of a no. of home appliance products and also are distributor for well known brands, such as, **Bajaj Electricals, Crompton Greaves, USHA, Wipro, Kenstar, Symphony, Anjali, Relif, Arise and many more**. We have a wide variety of Induction Coochers available which are used for both domestic and commercial purposes. Under the unmatched supervision of our mentor, **Mr. Alok Kumar Jha**, we have scaled new heights in this industry. With his consistent efforts and knowledge, we have become one of the leading suppliers of Electronic Items. His sharp business acumen has enabled us to stand upright in this competitive world and carve a place for ourselves. Our competitive excellence assists us in supplying goods that are sourced from big players in the market. To deliver such goods to our customers, we have have a team of professionals and sales personnel who understand the needs of our customers. With their diligence, we have been able to supply our products to many Government agencies and corporate. We now have the support of a satisfied customer base without whom it would have been impossible to achieve what we are today. The objective of the company is to emerge...
